## SPOTLIGHT

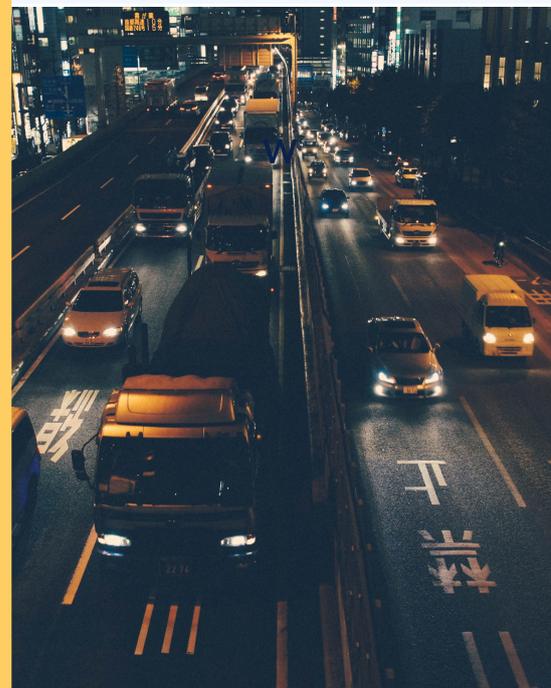

### PRESTIGE PLUS

As part of the continued expansion in its range of products and services, Euro Exim Bank has introduced a unique savings account; Prestige Plus.

Designed for corporates and personal savings, the online service will provide a premier banking experience, with the advantages of fast opening, low processing rates, 24-hour global accessibility, interest paid on unused tier balances, dedicated account manager, and an international debit card.

Graham Bright, Euro Exim Bank Head - Compliance and Operations said of the new account, "Prestige Plus offers both customers and corporates secure, global access and is the first of a growing number of products aimed to ease the account opening process, whilst offering flexibility in usage, excellent rates and world-class support".

## USING EURO EXIM BANK FOR OFFSHORE BANKING

### What Is an Offshore Bank Account?

An account held in a foreign bank account held outside the account holder's country of residence. Typically, an individual or company will maintain an offshore account for the financial and legal advantages it provides.

### Advantages of an Offshore Account

1. Asset Protection
2. Currency Diversification
3. Improves Payment and Foreign Exchange in International Trade
4. Tax Efficiency
5. Maximises your Freedom and Privacy
6. Convenience and Ease of Accessibility to your Funds
7. Subject to Strict Confidentiality Rules and Regulations

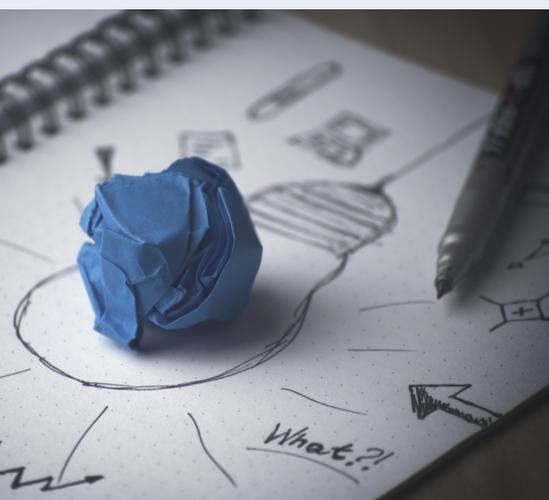

### Is an Offshore Bank Account Legal?

Despite what you may hear, offshore banking is completely legal. It's not about tax evasion or other illegal activities. More than half of the world's assets and investments are held in offshore jurisdictions. It's simply about legally protecting your assets, managing your risks and upholding your privacy by putting your assets in sound, well-capitalized institutions where they are treated best.

## EURO EXIM BANK'S COLLABORATION WITH GLOBAL TRADE REVIEW (GTR)

Global Trade Review (GTR) initiated in 2002 has become the leading trade finance and media company in the world today.

It is a compendium of latest information, news, events and services for organisations in the global trade. Over 20 GTR events emerge around the world each year, and delegates from various countries gather to discuss timely topics and gain invaluable knowledge.

Euro Exim Bank takes pride in teaming up with GTR in many of these events as participants as well as event sponsors.

“GTR has a long-standing relationship with Euro Exim Bank, who frequently exhibit at and contribute meaningfully to GTR’s global events.

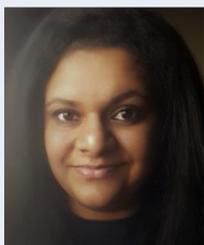

We are proud to be a partner of Euro Exim Bank and of our ongoing collaboration with them.”

- Jeff Ando

Director of Conference Production  
Global Trade Review (GTR)

Consistent involvement with GTR events provides Euro Exim Bank with insight and widespread awareness of the integral role of trade finance in the global trade and a great opportunity to meet and learn from the industry giants and experts.

Euro Exim Bank is the app sponsor of GTR’s UK Trade & Export Finance Conference. Meet our team at 155 Bishopsgate, London on 07 June 2018.
